Alec Biddinger

Information Technology | Cybersecurity Operations | CompTIA Security+

Traverse City, MI | alecbiddinger@gmail.com | LinkedIn | GitHub

SUMMARY

CompTIA Security+ certified IT Intern and Cybersecurity Management student (BBA expected May 2027) seeking entry-level SOC analyst roles. Hands-on municipal IT experience in CrowdStrike Falcon alert triage, investigation documentation, shadow IT discovery across 200+ workstations, and Windows endpoint provisioning. Projects include a Wazuh SIEM home lab (Windows/Linux), a Python SSH brute-force log parser, and a Dockerized network diagnostics toolkit with CI testing.

TECHNICAL SKILLS

Security Tools: CrowdStrike Falcon (EDR), Wazuh (SIEM/XDR), Sysmon, Nmap, tcpdump, OpenSSL, PDQ Inventory, AnyDesk
Security Operations: alert triage, log analysis, incident documentation, brute-force detection, shadow IT discovery, asset inventory
Systems & Networking: Windows, Ubuntu Linux, Active Directory, Microsoft 365, Google Workspace, TCP/IP, DNS, HTTP/TLS
Scripting & Automation: Python, regex, Bash, PowerShell, SQL, Docker, Git/GitHub, GitHub Actions (CI), ShellCheck

EXPERIENCE

Information Technology Intern | *City of Traverse City* | *Traverse City, MI* **Jun 2026 - Present**

- Triage and respond to CrowdStrike Falcon security alerts, correlate events across endpoints, and document investigative findings and incident response actions in support cases.
- Investigate shadow IT risks and build an asset inventory mapping 200+ workstations to users and departments, with the updated inventory mirrored to PDQ Inventory and Active Directory.
- Build and deploy Windows workstations across the endpoint lifecycle; created a custom USB-based provisioning tool that streamlines out-of-box setup and reduces setup time per machine.
- Developed a mobile inventory application to track computer accessories.
- Resolve networking, helpdesk, and cybersecurity issues across city locations in person and via AnyDesk; support Microsoft 365, Google Workspace, and operational technology (OT) initiatives.

Customer Support Representative | *Walman Optical (EssilorLuxottica)* | *Traverse City, MI* **Feb 2025 - Jun 2026**

- Resolved order errors and data discrepancies, streamlined manufacturing data entry, and coordinated across locations.

Front Office Agent | *Boyne Mountain Resort* | *Boyne Falls, MI* **Jan 2024 - Feb 2025**

- Audited reservations, resolved account and transaction issues, and worked with IT; Employee of the Month (April 2024).

Customer Service Supervisor | *The Loon Golf Resort* | *Gaylord, MI* **Apr 2021 - Nov 2023**

- Promoted to supervisor in 2022; trained new hires, set onboarding goals, and managed reservations, cash, and inventory.

PROJECTS

Home SOC Lab | *Wazuh, Sysmon, VirtualBox* GitHub

- Deployed a three-VM Wazuh lab with Windows 11 (Sysmon) and Ubuntu Server (OpenSSH) agents on host-only networking.
- Resolved agent enrollment and package issues, documented the architecture, and planned MITRE ATT&CK-mapped detections.

Python SIEM Log Parser | *Python, Regex* GitHub

- Built a Python parser that groups failed SSH logins by source IP and alerts on 3+ failures or a later successful login.

IT Troubleshooting Toolbox | *Docker, Bash, PowerShell, GitHub Actions* GitHub

- Packaged DNS, TCP, HTTP/TLS, and packet-capture tools (dig, Nmap, tcpdump, curl, OpenSSL) into a disposable Ubuntu Docker image with a PowerShell launcher and persistent reports.
- Wrote offline smoke tests that exposed and fixed five silent-failure bugs, including a TLS verification bypass; GitHub Actions CI runs ShellCheck, builds the image, and runs the tests.

CERTIFICATIONS

CompTIA Security+ | CompTIA | Oct 2026 (expires Oct 2029)
Google Cybersecurity Professional Certificate | Google / Coursera | Aug 2026
Pre Security (SEC0) Certificate | TryHackMe | Jul 2026 (expires Jul 2029)

EDUCATION

Bachelor of Business Administration (BBA), Cybersecurity Management | Expected May 2027
Northwood University (Online) | Minor: Management Information Systems

Associate of General Studies | North Central Michigan College | 2022 - 2024 | Dean's List, 2022-2023
